Vision Document Committee Chairman's Message

My dear brothers and sisters,

Arunachal Pradesh stands as a testament to the transformative vision of our Hon'ble Prime Minister Shri Narendra Modi's 'Viksit Bharat. Over the last 5 years, we have witnessed a tectonic shift in Arunachal's pace of growth and development. As Modi ji aptly puts it, "Development works are reaching Arunachal and the Northeast like the first rays of the sun." Today, the people of Arunachal Pradesh believe in this 'Modi ki Guarantee', experiencing first-hand the benefits of schemes and advantages of economic development.

In the last 5 years, our 'Double Engine' government has changed the lives of the people in the state. Flagship schemes of the central government, such as the Pradhan Mantri Awas Yojana (Gramin and Urban), Pradhan Mantri Ujjwala Yojana, Pradhan Mantri Jan Arogya Yojana and Jal Jeevan Mission, have provided a better standard of living, bringing about unprecedented ease in daily life. Similarly, schemes such as the Arun Shree Rinn Yojana and CM Yuva Kaushal Yojana have helped in making the people of the state more self-reliant and aspirational in their outlook. The last five years have thus paved the way for 'Viksit Arunachal Pradesh' in line with the 'Viksit Bharat' vision of the Hon'ble Prime Minister Shri Narendra Modi.

Today, we proudly present our commitment to the people of Arunachal Pradesh through the "Viksit Bharat, Viksit Arunachal Pradesh - Sankalp Patra 2024". We thank the people of Arunachal Pradesh for actively participating in and contributing to this vision through our aspiration collection campaign. Through this exercise, we have received aspirations through suggestion boxes placed in public places, phone calls and our website. We are indebted to the people for their zealous participation and for making our vision for the state focused on the aspirations of the people. We have meticulously reviewed all collected aspirations, striving to fulfil the public's expectations.

The people's confidence in the present government is reflected in the "Viksit Bharat, Viksit Arunachal Pradesh—Sankalp Patra 2024." We are confident that we can form the government once again and work with the people of Arunachal Pradesh to fulfil the commitments engrained in this Sankalp Patra.

Let us continue this "Viksit Bharat, Viksit Arunachal Pradesh" journey together!

Warm regards,

Techi Necha

Vision Document Committee Chairman
State Spokesperson, Bharatiya Janata Party
