# Letter from the State President

Dear Residents,  
Greetings!

The Bharatiya Janata Party proudly presents the 'Viksit Delhi Sankalp Patra 2025'—a roadmap for a brighter future for Delhi. This is not just an election manifesto but a testament to our firm commitment to bring positive changes to every citizen's life. It reflects the promises BJP makes to the residents of Delhi—promises that AAP-DA has failed to fulfill in the last ten years.

AAP-DA's tenure has been marred by corruption, scandals and administrative failures. Issues like the liquor scam, misuse of public funds for personal gains, irregularities in construction projects, and increasing pollution have made life challenging for Delhi's residents. Instead of solving problems, AAP-DA's mismanagement has only added to people's insecurity and inconvenience. Their promises on education, healthcare, water supply and pollution control remain unfulfilled.

When BJP forms the government, we will give Delhi a new direction. We will implement the Ayushman Bharat scheme, ensuring affordable and quality healthcare for every citizen. Under the Jal Jeevan Mission, we will provide clean water to every household. Additionally, we will provide housing to 3.5 lakh poor families, ensuring everyone has a safe home. Special financial assistance schemes for women will also be introduced to help them achieve economic independence.

The BJP will act as a new hope for Delhi, striving to make it free from pollution, corruption and insecurity, and transforming it into a prosperous and safe state. Basic facilities such as electricity, water, healthcare, education and cleanliness will be delivered responsibly, supported by the benefits of central government schemes.

Let us come together to make Delhi a proud and developed state once again.

Thank you,

Yours sincerely,

**Virendra Sachdeva**

President, Bharatiya Janata Party, Delhi

# Letter from the Sankalp Patra Samiti Chairman

Greetings,

*Sapne Sarkar Karegi Sakar, Dilli me Bhajpa Sarkar!!*

From the days of Indraprastha during the Mahabharata era till today, Delhi has witnessed a remarkable journey of growth and development. Unfortunately, due to the failures of AAP-DA, our capital now struggles with various challenges. Today, Delhi is counted among the most polluted cities in the world. The air has become so toxic that it is difficult to breathe. The Yamuna river has turned into a polluted drain, filled with filth and garbage.

The Delhi Assembly Elections of 2025 bring an opportunity to restore the city's dignity and pride. The time for change has arrived. It is time to put an end to the hardships of the capital and fulfill the dreams of prosperity for Delhi's residents. The BJP presents its vision through the 'Viksit Delhi Sankalp Patra 2025' to shape a better future for all.

Let us unite under the leadership of our honourable Prime Minister, Shri Narendra Modi, and choose a double-engine BJP government for Delhi. Together, we can build a cleaner, pollution-free, developed and world-class Delhi for ourselves and future generations.

Thank you.

Jai Hind!

Yours sincerely,

**Ramvir Singh Bidhuri**

# 16 Sankalp for Viksit Delhi

Our government will not only **continue existing schemes**, but we will also make them more effective by **eliminating corruption** in these schemes.

We will provide financial assistance of **₹2,500 monthly to women** from poor families under **Mahila Samridhi Yojana**.

We will provide assistance of **₹21,000** and **6 nutritional kits** to every pregnant woman under **Mukhya Mantri Matritva Suraksha Yojana**.

We will provide **LPG cylinders for ₹500 to women** from poor families, and **one free cylinder** each on the occasion of **Holi and Deepawali**.

In our first cabinet meeting, we will implement the central government's **Ayushman Bharat Yojana**, to provide **free treatment up to ₹5 lakh** and the state government will provide **₹5 lakh additional cover** for all the poor families.

We will provide free treatment up to ₹5 lakh under Ayushman Bharat Yojana and the state government will provide ₹5 lakh additional cover, along with free OPD and diagnostic services to all the 70+ senior citizens.

We will increase the senior citizens pension for citizens aged 60-70 from ₹2,000 to ₹2,500 and for senior citizens aged 70+, widows, divyang and destitutes from ₹2,500 to ₹3,000.

We will establish Atal Canteens in JJ clusters to provide nutritious meals at ₹5.

Our government will not make any excuses or blame others for the problems related to Delhi's health, traffic, electricity, water, transport, etc. and will find effective solutions by collaborating with the neighbouring states, MCD, NDMC and the central government.

We will adopt a 'zero tolerance' policy against the widespread misgovernance and corruption of AAP-DA, and we will constitute an SIT to investigate the scams related to DTC, Mohalla Clinic, Classroom, Excise Policy, Jal Board, etc.

We will provide free KG to PG education to poor students taking admission in Delhi's government institutions.

We will empower Delhi's youth to prepare for various **competitive examinations** of the state government by:

- Providing one-time **financial assistance of ₹15,000**
- **Reimbursing travel cost** to the examination centre and application fee for up to 2 attempts

We will launch the **Dr. B.R. Ambedkar Stipend Scheme** in Delhi to provide a monthly stipend of **₹1,000** to **Scheduled Caste students** pursuing technical and vocational courses in ITIs, skill centres, polytechnics etc.

We will establish '**Welfare Boards**' for all auto, taxi drivers and domestic workers under which we will provide **life insurance up to ₹10 lakh**, **accident insurance up to ₹5 lakh** and offer **scholarships to their children** for higher education. Additionally, we will provide **subsidy on vehicle insurance** to auto and taxi drivers, and provide **paid maternity leave up to 6 months** to all domestic workers.

We will **double the number of street vendor beneficiaries** under the **PM SVANidhi** scheme.

We will ensure the **100% registration** of all **eligible farmers** in Delhi under the **PM Kisan Samman Nidhi Yojana** and increase the annual assistance from **₹6,000 to ₹9,000**.

# Achievements of Central Government

The central government has implemented several welfare schemes to improve the lives of Delhi's citizens.

-  75 lakh citizens received free ration under the Pradhan Mantri Garib Kalyan Anna Yojana
-  The process of regularising 1,731 colonies and giving ownership rights to 40 lakh citizens under the PM-UDAY Yojana
-  Under the PM Awas Yojana (Urban), 29,000 houses were provided and 1,600+ families received newly built flats under the 'Jahan Jhuggi Wahan Makan'
-  3 lakh+ pregnant women received ₹5,000 monthly under the Pradhan Mantri Matru Vandana Yojana
-  2.6 lakh poor women received free gas connections under the Pradhan Mantri Ujjwala Yojana
-  ₹19,655 crore worth of loans distributed in the last 5 years under the Pradhan Mantri Mudra Yojana
-  5,000+ SC students received scholarships of ₹7.5 crore under the SHRESHTA Yojana and the Dr. Ambedkar National Memorial was built
-  1.9 lakh street vendors received loans worth ₹295 crore under the Pradhan Mantri SVANidhi Yojana
-  12,000+ farmers received ₹6,000 annually under the Pradhan Mantri Kisan Samman Nidhi
-  4 lakh+ government employees and pensioners to receive benefits under the Eighth Pay Commission
-  ₹68,000 crore invested in the completion of infrastructure projects for the development of Delhi in the last 10 years
-  ₹7,500 crore invested in the construction of the Dwarka Expressway, India's first urban elevated expressway
-  The construction of the Delhi-Meerut Expressway
-  The RRTS extension from New Ashok Nagar to Meerut South completed successfully
-  ₹6,230 crore allocated for the inauguration of the 26.5 km Rithala-Kundli section of the Delhi Metro Phase-IV
-  ₹920 crore invested in the construction of the Pragati Maidan Integrated Transit Corridor
-  India's first elevated cross taxiway made operational at Indira Gandhi International Airport
-  ₹4,600 crore invested to establish Delhi's first Namu Bharat Corridor
-  The foundation stone for Veer Savarkar College in Najafgarh, laid at an estimated cost of ₹140 crore
-  1,400 electric buses made operational under the FAME II scheme in Delhi
-  ₹960 crore invested in the 'Delhi Gramodaya Abhiyan' to ensure completion of 642+ infrastructure projects
-  With the establishment of Yashobhoomi and Bharat Mandapam, Delhi has become India's largest MICE tourism hub

# Mismanagement of 'AAP-DA' in Delhi

## AAP-DA is against Public Welfare

- The promise of giving ₹1,000 monthly to women in Delhi remains unfulfilled
- AAP-DA failed to set up welfare board and 300 auto stands for auto and taxi drivers
- Pension for senior citizens stopped by AAP-DA

## AAP-DA – a Government of Scams

- ₹28,000 crore irregularities found in the Delhi Jal Board and ₹5,400 crore scam in the ration distribution
- ₹13,000 crore scam in classroom construction
- A scam of 65,000 fake health tests uncovered under the Mohalla Clinics
- The former Chief Minister built a luxurious Sheeshmahal using public money

## Obstructions in Implementing Central Government Welfare Schemes

- By not implementing Ayushman Bharat, 80 lakh citizens deprived of health insurance coverage worth ₹5 lakh
- By not implementing the Jal Jeevan Mission, citizens were denied 'har ghar nalsejal'
- By not implementing the Pradhan Mantri Awas Yojana on time, 10 lakh citizens deprived of their right to housing

## Promise of a Clean Delhi, Reality of a Polluted Delhi

- Despite spending ₹8,500 crore AAP-DA has failed to clean the Yamuna

- Due to AAP-DA's negligence, Delhi's AQI crossed 1,200, causing respiratory diseases for millions of citizens
- AAP-DA has created garbage mountains in Bhalswa, Ghazipur and Okhla, while the central government transformed the Baansera landfill into a modern park
- Under AAP-DA, Delhi citizens received polluted water and tanker mafias increased
- Poor drainage systems under AAP-DA caused waterlogging and electrocution during rains, including the tragic drowning of 3 UPSC aspirants

## Delhi's Deteriorating Education and Healthcare System

- Despite allocation of crores by AAP-DA, pathetic condition of mohalla clinics and death of 3 children due to distribution of fake medicines
- Despite allocating ₹5,590 crore, most of the 24 proposed hospitals exist only on paper
- AAP-DA, after promising 500 schools and 20 colleges between 2015-2022, could open only 63 schools and 1 government college
- In Delhi government schools, more than 1 lakh students failed in class 9 in 2023-24, while 28,531 failed in 2021-22

## Delhi Falls into Deficit due to AAP-DA's Financial Mismanagement

- For the first time in 31 years, the Delhi faced a revenue deficit under AAP-DA
- Due to financial mismanagement, AAP-DA had sought ₹10,000 crore from the National Small Savings Fund (NSSF)
- The Delhi Jal Board incurred ₹73,000 crore in debt over the last 10 years and failed to present its balance sheet since 2016

**When the BJP government is formed in Delhi, not only will existing schemes continue, but they will also be made more effective and corruption in these schemes will be weeded out.**

**Prime Minister Shri Narendra Modi**

“

**We pledge to create a developed Delhi that will make the entire nation proud. Delhi will not only symbolise India's glorious history and rich cultural heritage but also serve as a model of world-class infrastructure, effective law and justice systems, a clean environment and excellent urban services. Through collaboration between the central and state governments, Delhi will lead India's growth story, embodying a remarkable blend of tradition and modernity.**

”

# Good Governance

In the past 10 years, AAP-DA has pushed Delhi into chaos and corruption. Their ministers ended up in jail and their leaders misused public funds to fuel their luxurious lives and to fight elections. We will implement a zero-tolerance policy on corruption to make Delhi corruption free.

## Zero Tolerance against Corruption

- We will adopt a **'zero tolerance' policy against the widespread misgovernance and corruption** of AAP-DA, and we will **constitute an Special Investigation Team (SIT)** to investigate the scams related to DTC, Mohalla Clinic, Classroom, Excise Policy, Jal Board, etc.
- We will **present the CAG report**, which was withheld by AAP-DA, in the first session of the Legislative Assembly.
- We will publish a **white paper** on Delhi's misgovernance since 2015 which will serve as a roadmap for the future and ensure that such mistakes are never repeated.
- We will cooperate with the CBI and ED for a time-bound investigation of the AAP-DA's **liquor policy**, ensuring that the **guilty leaders are punished** and the revenue loss from this scam is fully recovered. Additionally, we will end the current liquor licensing policy and implement a **new, transparent and accountable policy.**
- We will **set up an SIT** under the chairmanship of a retired judge of the Delhi High Court to conduct a time-bound investigation of the **Sheeshmahal scam.**
- We will conduct a **detailed financial audit of over ₹28,000 crore allocated to the Delhi Jal Board** under AAP-DA. We will expose the financial irregularities and improve the functioning of the board.
- We will **set up an SIT** under the chairmanship of a retired judge of the Delhi High Court to conduct a time-bound **investigation of the scams related to construction of classrooms and school buildings and the appointment of ghost teachers** in Delhi government schools.
- We will **set up an SIT** under the chairmanship of a retired judge of the Delhi High Court to conduct a time-bound investigation of the **Mohalla Clinic scam**, focusing on:

- Deplorable condition of Mohalla clinics, despite spending crores of rupees annually
- **65,000 fake lab tests** conducted in Mohalla Clinics
- We will **set up an SIT to investigate the corruption related to the installation of panic buttons and CCTV cameras** in Delhi's public transport.
- We will **investigate the increased electricity bills** for domestic consumers.
- We will **form an SIT in the first session of the Delhi Assembly** to hold AAP-DA **accountable for pollution**, under which the following investigations will be conducted:
  - **Failure to clean the Yamuna** despite spending thousands of crores of rupees
  - **Failure to reduce air pollution** in Delhi
- We will release a **white paper on the increase in losses of the Delhi Transport Corporation** from 2017 to 2024.
- We will collaborate with the central government to ensure investigation by the **Central Vigilance Commission**, to expose illegal appointments made on the basis of nepotism by AAP-DA, based on the findings of the Shunglu Committee report.
- We will ensure a time-bound **investigation and recovery of the ₹26,000 crore** owed by DISCOMs to the Delhi government.
- We will increase the scope of the **CM helpline** and regularly organise **good governance drives and camps**. In addition, we will also organise **CM camps in every ward** for **effective grievance redressal** of public problems.
- We will effectively utilise **drones** for **surveillance, crowd management, disaster management and traffic control** in border areas.
- We will provide all necessary approvals for the **redevelopment of old group housing societies** in a time-bound manner.
- We will rationalise **circle rates** and ensure their **time-bound review**.
- We will collaborate with the central government to expand the **police force in Delta 48 units** for effective **24x7 night patrols**.
- We will create a **special fund** to improve judicial infrastructure, which will include:
  - Upgradation of existing **court buildings**
  - Increasing **number of chambers** in the courts
  - Expanding the number of **fast-track courts, commercial courts, family courts and Lok Adalats**
  - Providing **chambers and state-of-the-art facilities like smart libraries** for lawyers and staff
  - Will launch dedicated **fellowships for law graduates** from scheduled castes, scheduled tribes, EWS and other backward classes
- We will **prioritise the filling of all the vacant positions for judges** in the district and sessions courts.

## Good Governance

- **Our government will not make any excuses or blame others** for the problems related to pollution, traffic, electricity, water, transport, etc. of Delhi and will find **effective solutions by collaborating with the neighbouring states, MCD, NDMC and the central government**.

# Garib Kalyan

The central government's welfare schemes like Ayushman Bharat Yojana and Jal Jeevan Mission have helped millions of poor families and improved their lives. However, AAP-DA has failed to implement these schemes due to their petty politics. We will ensure the effective implementation of these key schemes in Delhi with the support of the central government, putting the needs of the disadvantaged first.

- In our first cabinet meeting, we will implement the central government's **Ayushman Bharat Yojana**, to provide **free treatment up to ₹5 lakh** and the state government will provide **₹5 lakh additional cover for all the poor families**.
- We will provide **subsidised diagnostic services** to all poor families.
- We will offer **free dialysis services** in all government hospitals under the **PM National Dialysis Program**.
- We will continue providing **free ration to 75 lakh beneficiaries for 5 years** under the **Pradhan Mantri Garib Kalyan Anna Yojana**.
- We will ensure **free water supply** to all citizens.
- We will **increase the number of beneficiaries of the Public**

**Distribution System (PDS)** by setting up camps for new ration cards to include the citizens who were left out of this scheme.

- We will set up an **Economically Weaker Section (EWS) Commission to address issues** related to the EWS community.
- We will ensure an **adequate number of shelter homes** in Delhi and **equip them with all requisite facilities**.

# Ensuring Basic Amenities in JJ Clusters

AAP-DA has repeatedly ignored the welfare of JJ clusters' residents in Delhi, leaving them without basic facilities. BJP will bring meaningful change in their lives by prioritising their welfare and development through schemes like Pradhan Mantri Awas Yojana, PM SHRI and Pink Police Booths. We will provide affordable housing, quality education, world-class connectivity and better security for JJ cluster residents.

## Infrastructure Development

- We will establish **Atal Canteens** in JJ clusters to provide **nutritious meals at ₹5**.
- We have provided **houses to JJ cluster residents** in areas like **Kalkaji and Ashok Vihar** under the **Pradhan Mantri Awas Yojana (Urban)**. Similarly, we will provide an additional **3.5 lakh pucca houses for JJ cluster residents** and underprivileged communities, in collaboration with the central government.
- We will install **water ATMs** to provide **clean drinking water in JJ clusters**.
- We will **continue providing free water** to JJ clusters' residents.
- We will **implement the Jal Jeevan Mission** and effectively address the issue of polluted water in JJ clusters.
- We are committed to **eliminating the tanker mafia**.
- We will set up **Ayushman Arogya Mandirs** near JJ clusters to provide **free primary healthcare** to every resident of JJ clusters.
- We will collaborate with the **Municipal Corporation of Delhi (MCD)** to form the **Delhi JJ Cluster Sanitation Task Force**, which will:
  - Increase the number of **public trash bins** and implement **separate collection** for dry and wet waste
  - Build additional **community toilets** and ensure the **maintenance of existing toilets** to improve sanitation
- We will launch the **CM SHRI Yojana** on the lines of **PM SHRI**, to open **new schools with modern classrooms and qualified teachers** in JJ clusters and **upgrade existing government schools**.
- We will set up **on-spot registration camps** in all Delhi JJ clusters within three months, in collaboration with the central government, to ensure **enrolment in welfare schemes like Ayushman Bharat, PM Jeevan Jyoti Bima Yojana and PM Suraksha Bima Yojana**.
- We will establish **Sushma Swaraj Sadan Libraries** in JJ clusters.

- We will start **shuttle services**, including e-rickshaws and e-bikes, to **connect JJ cluster residents with metro stations, bus stops, etc.** We will provide **access to these services to women on priority.**

## Safety and Security

- We will **set up police chowkis** in JJ clusters to ensure security.

- We will **set up a network of CCTV cameras** in JJ clusters to improve security and prevent crimes.
- We will **launch special training programs** for the **police force** to increase sensitivity towards JJ clusters' residents.
- We will establish **cluster security committees** with local police and residents to make JJ clusters a **'crime-free zone'**.

## Regularisation of Unauthorised Colonies

AAP-DA has failed to regularise unauthorised colonies and ignored their basic needs like 24x7 electricity, cleanliness, and regular water supply. BJP is committed to improve the lives of people living in unauthorised colonies.

- We will grant **full ownership rights to 1700 unauthorised colonies** in Delhi. Residents of these colonies will receive complete ownership rights to their homes and will be able to construct, build or rebuild their homes as per the provisions of the Ministry of Housing and Delhi's building bylaws.
- We will create a **special task force** with the support of the central government to regularise all eligible unauthorised colonies on government land and provide ownership rights.
- We will set up a **Colony Upgradation Commission** to ensure community centres, roads, drainage systems, waste collection and sewage facilities in these colonies.
- We will establish **Ayushman Bharat Arogya Mandirs** near unauthorised colonies to ensure basic primary healthcare and welfare for every resident.
- We will implement the **Jal Jeevan Mission** and ensure '**har ghar nal se jal**' in every home in unauthorised colonies and take **strict action against tanker mafias**.

# Women Empowerment

AAP-DA has failed at women empowerment despite its promises. We are dedicated to turning the vision of women-led development into a reality. We have already demonstrated our commitment to the socio-economic empowerment of women in other BJP-ruled states and we are determined to empower women in Delhi as well.

## Financial Empowerment

- We will provide financial assistance of **₹2,500 monthly** to women from poor families under **Mahila Samridhi Yojana**.
- We will provide **33% reservation to women** in Delhi Government jobs.
- We will partner with **e-commerce and quick-commerce platforms** to provide marketing support for women working in Self Help Groups (SHGs) and ensure their financial stability.
- We will provide **interest-free loans up to ₹1 lakh** to women working in Self Help Groups (SHGs).
- We will continue to **provide free DTC bus services** to women.
- We will provide **free electric scooters to meritorious girl students** from Delhi Government schools **after passing class 12th**.

- We will offer up to an **80% subsidy to 1,000 women drivers** for purchasing **pink e-autos**.

## Social Empowerment

- We will provide **LPG cylinders for ₹500 to women** from poor families, and **one free cylinder each on the occasion of Holi and Deepawali**.
- We will launch the **Mukhya Mantri Kanyadaan Yojana**, offering **financial assistance of ₹50,000** for the **marriage of daughters** from poor families.
- We will increase the monthly pension for **widows, destitute and abandoned women** from **₹2,500 to ₹3,000**.

## World-class Healthcare Services

- We will provide **assistance of ₹21,000 and 6 nutritional kits** to every pregnant woman under **Chief Minister Matritva Suraksha Yojana**.
- We will provide **free cervical, breast and ovarian cancer screenings** for women at all government hospitals covered under the Ayushman Bharat scheme.
- We will construct **250 pink public toilets** equipped with facilities like **sanitary napkin vending machines** and **feeding rooms for infants**.
- We will increase the monthly honorarium to **₹12,000 for Anganwadi workers, ₹7,000 for Anganwadi assistants** and **₹6,000 for ASHA workers**, while also providing them with **health and life insurance coverage**.

## Ensuring Safety and Security

- We will collaborate with the central government to deploy **Anti-Romeo Squads at all public spaces**.
- We will set up a network of **CCTV cameras** across Delhi to ensure safety and security.
- We will establish the **Jhalkari Bai Battalion**, Delhi's first women's police battalion, in collaboration with the central government.

# Welfare of Senior Citizens

Due to the non-implementation of Ayushman Bharat and poor maintenance of Mohalla Clinics, senior citizens are plagued by inadequate healthcare and other issues. Our government is committed to providing equal treatment and proper care for Delhi's senior citizens. We will expand healthcare services, provide better social security benefits and promote welfare programs.

- We will increase the senior citizens pension for citizens aged 60-70 from ₹2,000 to ₹2,500 and for senior citizens, widows, divyang and destitutes aged 70+ from ₹2,500 to ₹3,000.
- We will provide free treatment up to ₹5 lakh under Ayushman Bharat Yojana and the state government will provide ₹5 lakh additional cover, along with free OPD and diagnostic services to all the 70+ senior citizens.
- We will launch a network of geriatric ambulances to provide 24x7 emergency services to senior citizens.
- We will provide free regular health check-ups and medicines at all government hospitals.
- We will provide assisted living devices to senior citizens under the Rashtriya Vayoshree Yojana.
- We will establish Vayoshree complexes in every district with medical, yoga, physiotherapy and recreation facilities and financial and digital counselling services.
- We will launch digital literacy workshops to familiarise senior citizens with smartphones, online banking and government services and to protect them from cyber fraud.
- We will encourage senior citizens to register on the Senior Able Citizens Reemployment in Dignity (SACRED) portal for quality skill development and employment opportunities.

# Arogya Delhi

In spite of spending crores of rupees on Mohalla clinics, they still remain dysfunctional and continue to struggle with lack of resources. We are committed to the implementation of the Ayushman Bharat Yojana in Delhi and upgradation of the overall healthcare infrastructure, prioritising preventive healthcare.

- In our first cabinet meeting, we will implement the central government's Ayushman Bharat Yojana, to provide **free treatment up to ₹5 lakh** and the state government will provide **₹5 lakh additional cover for all the poor families**.
- We will transform dysfunctional and dilapidated **Mohalla clinics into Ayushman Arogya Mandirs**, and provide the following facilities:
  - Medical care during pregnancy and for newborns
  - OPD services
  - Diagnosis and treatment of both communicable and non-communicable diseases
- We will **improve the infrastructure facilities across all government hospitals in Delhi** through the Ayushman Bharat Health Infrastructure Mission (ABHIM).
- We will establish **1 superspeciality hospital in every district**.
- We will establish **7 new medical colleges and new nursing, pharmacy and paramedical colleges** in Delhi.
- We will **ensure time-bound recruitment to fill vacant positions** for doctors, nurses, lab technicians and paramedical staff.
- We will introduce a new **law for the protection of doctors** and ensure its strict enforcement.
- We will set up **500 new Jan Aushadhi Kendras** to provide citizens with quality medicines at affordable prices.
- We will provide **free dialysis services across all government hospitals** under the Pradhan Mantri National Dialysis Programme.
- We will **set up a special task force** to make Delhi **dengue-free** and work towards this goal in a time-bound manner.

# World-class Education

Despite AAP-DA's claims of improvement in education, government schools in Delhi continue to suffer from overcrowding and insufficient resources. We are fully committed to transforming Delhi's education system by investing in improved infrastructure, student welfare and teacher training. Our focus will be on skill-based learning, integrating advanced technology in classrooms and ensuring quality education for every child.

## Quality School Education

- We will provide **free KG to PG education** to poor students taking admission in Delhi's government institutions.
- We will introduce **CM SHRI, along the lines of PM SHRI**, to provide English medium education and world-class infrastructure in 100 government schools.
- We will provide **nutritious breakfast** along with the mid-day meal, to **all students up to class 12** under the PM POSHAN Yojana.
- We will ensure the implementation of the **New Education Policy 2020** in letter and spirit.
- We will provide **free laptops to meritorious students of class 12** under the **Mukhya Mantri Digital Education Scheme** to support their pursuit of higher education.
- We will ensure **100% availability** of basic facilities such as drinking water, toilets, libraries, electricity and first-aid in all government schools.
- In addition, we will launch the **Smart School Mission**, under which:
  - All classes from class 9-12 will have **audio-visual projector** facilities
  - **Interactive teaching methods** in Science, Technology, Engineering and Mathematics (STEM) education will be introduced
  - Courses on coding and computer programming will be introduced
- We **will establish pre-primary schools** to provide quality pre-primary education opportunities to every underprivileged child.

- We will provide a **50% concession on the fees of professional courses** for students from underprivileged families, displaced families from Kashmir and families affected by the 1984 riots.
- We will launch a **Mukhya Mantri Shiksha Protsahan Nidhi** for economically disadvantaged families, displaced families from Kashmir and families affected by the 1984 riots. Under this scheme, students up to **class 8 will receive annual financial assistance of ₹2,500**, while students from **class 9 to 12 will receive ₹3,500**.

## World-class Higher Education

- We will increase **Delhi's higher education GER to 75% and add 1 lakh additional seats:**
  - We will establish the **West and East Campuses** of Delhi University in a time-bound manner and expand the campus of Ambedkar University
  - We will **establish new colleges** under existing universities such as Guru Gobind Singh Indraprastha University, offering courses in Law, Dental Medicine, Physiotherapy, Business, Engineering and Nursing
- We will provide the **National Common Mobility Card (NCMC)** to eligible students, enabling them to **travel free of cost on the Delhi Metro**

and credit **₹4,000 annually** to their accounts.

- We will undertake **comprehensive development of colleges** under the Delhi government providing world-class facilities.
- We will **establish IIM Delhi** in collaboration with the central government.
- We will establish an **'Edu-City' in Delhi** to encourage world-class Indian and global STEM educational institutions to set up campuses.
- We will establish a **new research park** in the **'Edu-City'**, in collaboration with the central government, based on IIT Madras research park.
- We will ensure **100% implementation of the PM Vidya Lakshmi Yojana** in Delhi, providing **collateral-free loans of up to ₹10 lakh** to all eligible students for pursuing higher education in **top 100 NIRF ranked colleges**.

## Teacher Welfare

- We are committed to **filling all vacancies in the Education Department** within a year.
- We will establish a **committee for faster and effective resolution of the issues** faced by the teachers working in Delhi.
- We will ensure the **timely payment of salaries to teachers** in government schools and colleges.

# Empowered Youth

AAP-DA has failed to generate sufficient job opportunities to meet the aspirations of the youth in Delhi. Delhi's emerging athletes face significant challenges due to inadequate infrastructure. We are committed to creating enough employment opportunities and improving facilities to ensure welfare of athletes.

## Employment Opportunities

- We will provide **government jobs to 50,000 youth** in Delhi in a time-bound manner.
- We will provide **employment and self-employment opportunities to 20 lakh youth** in Delhi.
- We will provide financial assistance of up to **₹5,000 monthly** and **insurance coverage** to every intern under the **Prime Minister Internship Scheme**.
- We will launch a **New Age Skill Development Programme** to train Delhi's youth in emerging skills such as green energy, 3-D printing and artificial intelligence (AI) programming.

  - Providing **one-time financial assistance of ₹15,000**
  - Reimbursing travel cost to the examination centre and application fee for up to 2 attempts
- We will establish **50 de-addiction centers** under the **'Drug-Free Delhi'** initiative and form a **special task force** for strict monitoring of all drug hotspots.

# Sabka Saath Saath Vikas

AAP-DA has ignored the needs of the underprivileged communities of Delhi and completely ignored its responsibility towards their welfare. As a result, many people have been deprived of essential resources. The confrontational approach of AAP-DA has hindered the development of Delhi and ignored the aspirations of countless families. On the contrary, BJP believes in the principle of Sabka Saath, Sabka Vikas. We will provide every citizen, irrespective of their socio-economic background, every opportunity to move forward and participate in Delhi's growth story.

## Occupational Groups

- We will launch **Mission Paralympic Delhi**, under which we will provide support to divyang athletes and establish a state-of-the-art sports complex with world-class facilities tailored to the needs of divyang athletes.

## Transgenders

- We will provide **transgender certificate, identity card, Aadhar card, voter ID card**, etc. to transgenders, so that they can easily avail the benefits of various welfare schemes like Ayushman Bharat, social security etc.
- We will collaborate with the central government to **set up 11 Garima Greh in Delhi** and improve existing Garima Greh.
- We will provide **free bus travel to all transgenders**.

## Mediapersons and Lawyers

- We will provide **life insurance up to ₹10 lakh** and **health and accident insurance up to ₹10 lakh** to accredited mediapersons of Delhi.
- We will **increase the quota for mediapersons** set by the Delhi government.
- We will provide **group insurance up to ₹10 lakh to lawyers** and **increase the health and accident insurance amount from ₹5 lakh to ₹10 lakh**.

## Ex-servicemen

- We will establish **Sainik Boards in every district of Delhi**, which will work under the Rajya Sainik Board.

# Robust Economy

Delhi has failed to realise its full economic potential due to the financial mismanagement and corruption by AAP-DA. In order to harness its true potential, Delhi needs to create a world-class ecosystem that will develop a knowledge-based economy. We are committed to transforming Delhi into an economic powerhouse by leveraging its core strengths, providing job opportunities for the youth.

- We will make **Delhi a developed economy** and play a crucial role in **making India a global economic power**.
- We will attract at least **\$50 billion in FDI** in the next five years and make Delhi one of the top FDI destinations in India.
- We will develop a Special Zone for Advanced Research & Knowledge (**SPARK**) Delhi with an investment of **₹10,000 crore**, a world-class hub for finance, banking, investment, IT, GCC and research and development, creating **over 10 lakh direct and indirect jobs in the next 10 years**. Under this:
  - We will establish hubs for finance, IT and AI in SPARK Delhi with an aim of attracting FDI and promoting startups
  - We will bolster the development of world-class hotels, conference halls and other infrastructure in SPARK Delhi, making it a leading centre for **MICE tourism**
- We will simplify the registration processes for setting up businesses and make Delhi **one of the top 3 states in India in ease of doing business**.
- We will **regularise all unauthorised industrial areas** and provide them with civic amenities such as water, electricity and roads.
- We will **review** the Delhi Industrial Development, Operation and Maintenance Act.
- We will **eliminate the corruption that has taken place in cooperative societies** during AAP-DA's rule and will **formulate a new Delhi cooperative policy**.

# Trader Welfare

AAP-DA has burdened Delhi's traders with complex regulations, inadequate infrastructure and a lack of support for businesses. Due to mismanagement under their governance, many traders have been forced to relocate to other states. The BJP is committed to simplifying regulations, improving infrastructure and fostering a business-friendly environment in Delhi for traders and entrepreneurs.

- We will establish a **judicial authority** that will complete the process of **opening sealed shops within 6 months**. This will provide relief to traders and boost the city's economic activities.
- We will convert **all leasehold properties of L&DO** (Land and Development Office) to **freehold**.
- We will establish a dedicated **Delhi Trader Welfare Board** to address the demands of traders and resolve their grievances.
- We will **extend the validity of business licenses in Delhi from 3 years to 5 years**.
- We will develop a **Delhi Retail Trade Policy** to focus on simplifying rules and credit facilities and de-criminalisation of petty matters related to retail trade.
- We will review and **reduce electricity tariffs for commercial establishments**.
- We will launch a **'Delhi Market Upgradation Mission'** to upgrade all major markets with improved urban planning, modern infrastructure, parking and pedestrian-only zones for enhanced accessibility and convenience.
- We will **develop Delhi Digi Trade to streamline the grievance redressal** process, digitise trade-related documentation and meet audit requirements.
- We will establish **Trade Tribunals** in all major market areas to resolve traders' issues on time.
- We will **launch an accident insurance scheme** for all domestic traders registered under GST in Delhi.
- We will continue to provide **₹3,000 monthly pension** to all eligible small traders and entrepreneurs under the **Pradhan Mantri Laghu Vyapari Mandhan Yojana**.

# Ease of Living for All

Over the last decade, the central government has prioritised delivering essential services through initiatives like PM Awas Yojana, Jal Jeevan Mission and Saubhagya Yojana—services that the AAP government has failed to provide to the people of Delhi. Our commitment is to develop robust infrastructure that ensures clean drinking water, uninterrupted power supply, affordable housing and effective flood management for everyone.

## Clean Water

- We are committed to provide **'har ghar nal se jal'** under the Jal Jeevan Mission.
- We are committed to **address the issue of contaminated water** and ensure the supply of clean water through taps.
- We will increase **Delhi's water treatment capacity to 1,500 MGD** and establish additional reservoirs to enhance water storage and pumping capacity.
- We will reduce the current non-revenue water from 58% to 20% and reduce water loss in the Munak Canal from 18% to 5%.
- We will ensure the renewal of water treaties in 2025, in collaboration with Haryana, ensuring a fair share of Yamuna water to meet Delhi's growing water needs.
- We will enter into **agreements with Uttar Pradesh and Uttarakhand to**

**bring additional water from Ganga** to meet Delhi's increasing water demand.

- We will **accelerate measures for rainwater harvesting and groundwater recharge** by installing rainwater harvesting systems in homes and revitalising natural groundwater sources. Additionally, we will enhance the water storage capacity in Delhi's natural water bodies, such as lakes in the Asola Bhatti area, Najafgarh Lake, Central Ridge ponds and others.
- We will **review and reduce the development charges imposed by the Delhi Jal Board** on water connections.

## Electricity

- We will provide **free electricity to poor households** under **PM Surya Ghar Muft Bijli Yojana**.
- We will **install solar rooftop systems in all Delhi government and Delhi**

**Municipal Corporation buildings by 2027** to promote the use of renewable energy.

- We will **eliminate corruption** in the process of obtaining electricity connections and ensure a streamlined faceless system for a hassle-free experience.

## Housing

- We will collaborate with the central government under the Pradhan Mantri Awas Yojana to provide an **additional 3.5 lakh pucca houses** to poor families over the next 5 years.
- We will collaborate with the central government to provide **piped gas connections to every household**.
- We will implement the **Delhi Master Plan 2041** in collaboration with the central government, aimed at providing adequate and affordable housing for all.
- We will **revise the FSI norms** to address the growing demand for housing and remove FSI restrictions wherever possible to facilitate the construction of high-rise buildings.
- We will collaborate with the central government to **amend RERA** to make home ownership a reality for middle-class families. This will include measures such as **reducing registration costs, lowering construction expenses and streamlining the approval process** for building plans.

## Flood-free Delhi

- We will **make Delhi 'flood-free'** with an investment of ₹700 crore.
- We will implement a **flood forecasting system** using real-time data to predict urban flooding, enabling timely action and ensuring the safety of citizens.

## Sewage Treatment

- We will ensure that every household has access to sewerage facilities by increasing the capacity of **sewage treatment plants** to 1,000 MGD and **common effluent treatment plants** to 220 MLD to ensure 100% treatment of sewage and effluent.
- We will ensure that **all sewage treatment plants** discharging treated water into the Yamuna **comply with the Delhi Pollution Control Committee (DPCC) standards**. Currently, 21 out of 37 plants in Delhi do not meet these standards.
- We will review and **reduce the development charges** imposed by the Delhi Jal Board for sewerage connections.

# Development of Rural Delhi

We are dedicated to ensuring the welfare of farmers. Our government has introduced a range of initiatives aimed at supporting agriculture, providing credit facilities and enhancing infrastructure. We will make it a priority to focus on the development of villages in Delhi, ensuring they thrive and prosper.

## Prosperous Farmers

- We will ensure the **100% registration of all eligible farmers** in Delhi under the **PM Kisan Samman Nidhi Yojana** and increase the **annual assistance from ₹6,000 to ₹9,000**.
- We will ensure the effective implementation of the **Swamitva Scheme** in the rural areas of Delhi.
- We will **ensure ownership rights by accelerating the regularisation process** for the residents of rural areas of Delhi.

## Rural Development

- We will ensure that **gram sabha lands are utilised exclusively for providing civic amenities to the villagers**.
- We will **renovate the community centres** of Delhi.
- We will construct **parks, playgrounds, etc.** as per requirement on the lands of gram sabhas.
- We will introduce **clear guidelines and a systematic process for filing and rejecting cases of land ownership rights in urban-notified villages** of Delhi.
- To ensure the protection of cows, we will:
  - Establish a **Gaushala Board** for the operation and maintenance of cow shelters
  - Set up a **Gaushala Welfare Fund** to provide fodder, medicines and other necessary resources to the current cow shelters and to build additional cow shelters

- Provide **financial assistance for setting up micro dairies** based on Indian cow breeds
- We will establish **mobile rescue units** to identify stray animals and safely transport them from the roads to sheds and animal shelters.
- We will issue **health cards for milch animals** under the **Nakul Swasthya Patra Yojana**, providing them with health insurance and regular health check-ups.

# World-class Connectivity

The BJP has prioritised enhancing connectivity across the country through landmark initiatives such as PM Gati Shakti and Bharatmala. Meanwhile, Delhi's infrastructure under AAP-DA has significantly deteriorated. DTC buses are poorly maintained, traffic congestion has worsened and road quality continues to decline. The BJP remains steadfast in its commitment to infrastructure development and improving connectivity, as demonstrated by the progress in states like Uttar Pradesh and Maharashtra. Metro projects have been successfully launched in cities such as Kanpur, Pune, Ahmedabad and Mumbai. However, due to the inefficiencies of AAP-DA, the DMRC has been unable to complete Phase IV of the Delhi Metro on schedule. Our vision is to reduce traffic congestion across key areas in Delhi and deliver a world-class, affordable public transport network for its citizens.

## Accessible Public Transportation

- We will create a **clean, affordable and accessible public transport network** that **reduces dependence on private vehicles** through last-mile connectivity. This will help address and **reduce issues related to traffic and parking**.
- We will establish an integrated public transport network with an investment of **₹20,000 crore** and ensure Delhi becomes one of the **top-10 cities on the Urban Mobility Index**.
- We will establish a **Unified Metropolitan Transit Authority** to coordinate the plans of DTC, DMRC,

NCRTC and Indian Railways, ensuring integrated transport planning for Delhi, in collaboration with the central government.

- We will work towards modernising Delhi's public transportation through **light rail, pod taxis, etc.**

## Road Transport

- We will transform Delhi into a **100% e-bus city** by **increasing the number of e-buses to 13,000** to improve connectivity.
- We will revise and **integrate bus routes** with existing and under-construction **metro lines and RRTS corridors**.

- We will operate a **two-tier bus system that will include midi and mini buses**, to ensure last-mile connectivity.
- We will **upgrade all bus depots and terminals** to maintain the expanded bus fleet, along with constructing new depots along the Urban Extension Road-II to ensure smooth bus operations throughout the city.
- We will launch **world-class AC and non-AC interstate bus services** to states like Haryana, Punjab, Uttar Pradesh, Bihar, Uttarakhand and Rajasthan for an easy commute for migrants living in Delhi.
- We will ensure quick construction and operation of **Dwarka and Narela ISBTs** for interstate connectivity to Punjab, Haryana and other northern states.
- We will **enhance connectivity between Jewar Airport and Delhi** through the metro and expressway networks.
- We will launch the **Delhi-Panipat and Delhi-Alwar (RRTS) Namo Rail**.

## Rail, Metro and RRTS

- We will expedite the completion of **Delhi Metro Phase IV**, in collaboration with the central government, which has been delayed due to AAP-DA.
- We will plan for **Delhi Metro Phase V**, ensuring completion of detailed project reports (DPRs) for all proposed routes by 2026, in collaboration with the central government.
- We will provide **overnight metro services at appropriate frequencies**, working with DMRC, ensuring **24x7 availability of metro and bus services**.
- The central government has successfully completed the RRTS corridor from New Ashok Nagar to Meerut South. We will ensure **RRTS operations on the entire stretch from Sarai Kale Khan to Modipuram in 2025**.

## Roads

- We will **improve Delhi's connectivity with Gurugram and Noida** in collaboration with the central government by launching extensive development projects.
- We will start an **Infrastructure Overhaul Scheme** that will focus on roads, flyovers and FOBs to enhance citizens' quality of life.
- Under AAP-DA, project delays have led to traffic congestion. We will ensure the **timely completion of all ongoing projects** to alleviate traffic issues.
- We will **utilise the space under flyovers to set up civic amenities** such as libraries, children's parks, etc.

## Traffic and Parking Management

- We will launch a **comprehensive plan to eliminate traffic problems and ensure adequate parking facilities** in all residential and commercial areas of Delhi.
- We will construct additional flyovers, tunnel roads and bypass roads to **address congestion at 117 congestion points across Delhi, including Outer Ring Road, MG Road, MB Road and Ashram Chowk.**
- We will provide **multi-storey and underground parking facilities** in major markets like **Sarojini Nagar, Karol Bagh, Rajendra Nagar, Malviya Nagar** and other crowded areas.

# Culture and Tourism

AAP-DA has failed to harness Delhi's tourism potential, with heritage sites and monuments poorly maintained, tourism in decline and minimal promotional efforts. We will revitalise Delhi's tourism by upgrading infrastructure, preserving iconic sites and launching campaigns to attract both domestic and international tourists.

## Promotion of Culture and Heritage

- We will develop a grand **Mahabharata Corridor** to promote and showcase the famous epic of the Mahabharata, in collaboration with the state governments of Uttar Pradesh and Haryana.
- We will launch a **Global Delhi Digital Campaign** for Delhi on platforms like Instagram, YouTube and Facebook, highlighting the city's culture, festivals and tourism through vloggers and influencers.
- We will organise a month-long **Annual Delhi Winter Festival**, featuring music, dance, food and handicrafts to celebrate and promote Delhi's diverse cultural heritage.
- We will launch a **Heritage Revival Mission** with a budget of **₹50 crore** to restore, beautify, promote and develop all forgotten and historically significant sites in Delhi which do not fall under the ASI.
- We will launch a '**Madan Lal Khurana Urban Heritage Mission**' with an allocation of **₹300 crore**, focusing on sites linked to specific ethnic communities that hold significant cultural value.
- We will provide an **honorarium of ₹20,000 monthly to priests of all temples** in Delhi.
- We will implement the central government's '**Scheme for Financial Assistance for Veteran Artists**' to provide financial assistance of **₹6000 per month** to senior veteran artists.
- We will collaborate with the central government to establish a **National Gallery of Traditional Art**, on the lines of NGMA, to showcase traditional art forms from across the country.

- We will organise a **grand Sanskrit festival** every year in Delhi.
- We will provide a **special Sanskrit grant** every year for **Sanskrit research and the study of ancient Indian scriptures**.
- We will ensure the **appointment of an adequate number of Sanskrit teachers** at the school, college, and university levels.
- We will **establish a gallery dedicated to Bhagat Singh** and his contributions, to honour his legacy in the national freedom struggle.
- We will organise **guided night heritage walks** at major tourist destinations of Delhi like India Gate, Red Fort and Qutub Minar.
- We will introduce **multi-entry cards** for all monuments in Delhi to enhance convenience for tourists.
- We will position **Delhi as a global hub for MICE (Meetings, Incentives, Conferences and Exhibitions)** tourism.
- We will **grant 'industry' status** to tourism to enhance business opportunities and generate employment in Delhi.

## Tourism Development

- We will **double the number of domestic and foreign tourists** visiting Delhi by 2030.
- We will **transform Chandni Chowk into Delhi's first model marketplace** with an allocation of **₹100 crore**, focusing on cleanliness, improved transportation, underground wiring and modern amenities.
- We will set up **safe night markets and food streets** around major monuments and in commercial areas like **Majnu Ka Tila, Hauz Khas etc.**
- We will deploy **trained multilingual tourist guides** at all ASI monuments that can be booked through the Incredible India portal.
- We will **expand the Incredible India Tourist Facilitator (IITF) Certification Programme** to promote digital skill development, certification and registration of tour guides in Delhi.

# Clean and Green Delhi

Under AAP-DA, Delhi has become one of the most polluted cities in the world, and their claims of making Delhi pollution-free have proven hollow. Beyond pollution, the government has also failed to clean the Yamuna river despite making grand promises. The BJP is committed to creating a pollution-free Delhi and cleaning up the Yamuna River. We will ensure that Delhi becomes one of the cleanest and greenest cities, and that the Yamuna regains its former glory.

- We will collaborate with the central government to develop **Yamuna Riverfront**, on the lines of the Sabarmati Riverfront, ensuring 24x7 commercial establishments, interactive shows, theatres and other entertainment facilities along the riverbanks.
- We will set up a **Yamuna Kosh to revitalise the Yamuna river**, which has been neglected by AAP-DA for the past 10 years. Under this, we will:
  - Undertake **full treatment of wastewater from drains** like Barapullah, Shahdara and Ghazipur **before it flows into the Yamuna**
  - **Treat water from all drains flowing into the Sahibi River**, which has currently become a sewer
  - Expand **sewage treatment plant capacity to 1,000 MGD and common effluent treatment plant capacity to 220 MLD**
  - Promote biodiversity along Yamuna's banks by creating green corridors, wetlands and **riverbank buffer zones**
  - Ensure **zero industrial emissions** into the Yamuna
  - Organise an **annual Yamuna Festival**
- Our aim is to make Delhi the **cleanest metro city in the country and secure the top rank in the Swachh Survekshan rankings**. To achieve this, we will:
  - Increase treatment capacity to eliminate the garbage mountains at **Ghazipur, Okhla and Bhalswa**, and redevelop them on the lines of Baansera Park
  - **Prevent the formation of future garbage mountains** by segregated collection and management of dry and wet waste

- Work with the MCD to **enhance waste collection capacity**
- **Resolve sanitation-related complaints in real time** through mobile app
- Establish new **waste-to-energy plants**
- We will **launch the Delhi Clean Air Mission to halve Delhi's average AQI by 2030 and reduce the number of days with poor AQI**. Our target is to **reduce PM-2.5 and PM-10 levels by 50%**. Under this mission, we will:
  - Deploy **road-sweeping machines in every assembly constituency** and **water-sprinkling machines in every municipal ward**
  - Deploy **additional road-sweeping machines and water-sprinkling machines in highly polluted areas** like Anand Vihar, RK Puram and Mundka
  - Prioritise **paving 500 kilometres of unpaved roads** to control dust on streets
- **Install WAYU** at intersections and key roads for maximum dust control
- We will incentivise the transition of **50% vehicles to electric/hybrid vehicles** and **install public EV charging points** to make Delhi a sustainable city.
- We will rejuvenate **Delhi's ridges and lakes**, enhancing its biodiversity.
- We will **develop green belts, urban forests and vertical gardens** in high-traffic areas to expand the city's green cover.
- We will collaborate with all RWAs to **construct and maintain open gyms and parks**.
- We will **construct new parks** on the lines of the **Bharat Vandana Park** in Dwarka, in collaboration with the central government.
