AMRITA BHARATAKKAAGI AMRITA KARNATAKA

In the famous book Karnataka Gatha Vaibhava, its author and historian Shri Aluru Venkata Rao brings out the greatness of Karnataka during the days of Vijayanagara empire. It was said that the Vijayanagara empire was so prosperous that rubies were commonly sold on the streets of Hampi, and that gemstones were so abundant that they were used as decoration for the horses' bridles and as street lighting in the evenings. The rulers of Vijayanagara were great patrons of architecture, art and literature, and their reign saw the emergence of notable literary works and impressive architectural works which remains a testament to the greatness of the Vijayanagara dynasty even today.

Through this vision document, we aim to restore the glory and prosperity of Karnataka, akin to its glory days under the Vijayanagara Empire by strengthening its pillars of progress - economic strength, social cohesiveness, cultural and civilizational growth, protection of mother nature, and nationalism. Through detailed consultation with elected representatives, subject matter experts, industry stakeholders and suggestions from the public, we have formulated 103 promises including 16 top promises which cater to the needs and aspirations of every section of the society. The top promises touch 6 important aspects - **Anna, Abhaya, Akshara, Aarogya, Abhivruddhi, and Aadaaya**.

It also ensures inclusion of needs and aspiration of the last man standing capturing BJP's mission of Antyodaya and Prime Minister Shri Narendra Modi's vision of "Sabka Saath, Sabka Vikas, Sabka Viswas and Sabka Prayaas".

BJP Praja Pranalike has looked at addressing the overall socio-economic challenges facing the state currently and builds on the impressive gains made by the state under the good governance delivered by the Double Engine BJP Government since 2019. The vision document balances the need for addressing challenges faced by the state currently with the need for putting in place the requisite infrastructure to catapult Karnataka to the rank of a fully developed state and **\$1 trillion economy** by its 75th year in 2031. BJP is sure that the glory days of Vijayanagar Empire will be revived in Karnataka with the state leading India in the 21st century with the full cooperation and support of people of Karnataka.

Since its inception, the Bharatiya Janata Party has worked towards expediting Karnataka's march towards development, progress and prosperity. Under the able leadership of PM Shri Narendra Modiji at the centre, coupled with valuable guidance of Raitha Bandhu Shri BS Yediyurappa avaru, and the holistic governance provided by the Common Man's CM Shri Basavaraj Bommai avaru, BJP in Karnataka is working to ensure Sarva Abhivrudhi and Santushta Karnataka.

Karnataka, the land of Jagatjyothi Basaveshwara, Sri Krishna Deva Raya and Kittur Rani Chennama has held a special place in the history of Bharat. Double Engine BJP Sarkara has worked to take Karnataka to even greater heights in the past 4 years by ensuring holistic development for all by giving ₹10,000 for farmers under PM-KISAN Karnataka, construction of 24,000 classrooms under Viveka Yojane and ensuring affordable healthcare through Namma Clinics. The BJP Government also took strong steps to revive, nurture and protect the rich cultural heritage and the glorious history of the state.

I appeal to you to place your bharavase in the BJP, in the 2023 elections too, and give us a Poorna Bahumata Sarkara so that we continue to serve this great land.

Jai Hind! Jai Karnataka!

NALIN KUMAR KATEEL

State President
Bharatiya Janata Party

In 2018, you blessed us with the opportunity to serve you and this Great Land of Karunadu. However, those who lost the election got together to form a government by ignoring the mandate given by the people of our land. The people of Karnataka reinforced their support for the BJP through the mandate you delivered in 2019. It is your constant support that helped the Double Engine BJP Sarkara take tough decisions to tide over some of the toughest crises. Today, Karnataka stands tall as a global leader foisted by its resilient people.

When I was given the opportunity to become the Chief Minister of the state, I took on the reins from the able and visionary leadership of Shri Yedyurappa Ji, and followed the footsteps of the great Karma Yogi, Shri Narendra Modi Ji as it was the surest path to development and prosperity.

In the last 3.5+ years, the Double Engine BJP Sarkara has resolved long-pending issues, initiated and completed massive infrastructure projects, signed MoUs of nearly 10 lakh crore and created 55 lakh jobs!

From granting reservation benefits to the deserving, to providing education for the children of the vulnerable through Vidya Nidhi, and ensuring affordable medical care to all through Ayushman Bharat-Arogya Karnataka, our Double Engine BJP Sarkara, has ensured that each and every person enjoys the fruits of development.

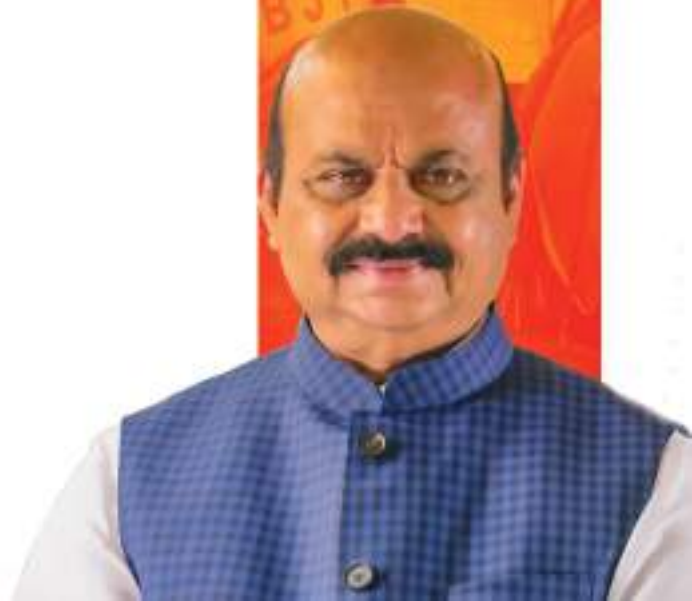

Now, we seek another opportunity to continue our walk with you, side-by-side, shoulder-to-shoulder towards Nava Karnataka in this Amrit Kaal.

Jai Hind! Jai Karnataka!

BASAVARAJ BOMMAI

Chief minister of Karnataka

It is a matter of great honour for the Bharatiya Janata Party to present its manifesto for the 2023 Karnataka Assembly Elections. Our manifesto has been prepared after an extensive consultation process with a variety of stakeholders – the people, elected representatives from Panchayat to Parliament, industry stalwarts and public intellectuals. It contains a comprehensive list of promises that will set Karnataka on a firm path of development for the next 25 years, fulfilling Hon'ble Prime Minister Shri Narendra Modi ji's vision of New India and Nava Karnataka in this Amrit Kaal. Our promises are a result of the 6 lakh suggestions we received in our Salaha Pettiges, 900 suggestions from manifesto committee members and 250+ suggestions from 50+ sectoral experts.

I would like to thank our Hon'ble Chief Minister Shri Basavaraj Bommai avaru, our state party president Shri Nalin Kumar Kateel avaru, and our former Chief Minister Shri B S Yeddyurappa avaru for their valuable guidance throughout this process. I would also like to thank my fellow Manifesto Committee members for their contributions to this all-inclusive manifesto that firmly puts the prosperity of Karnataka at the forefront.

Through this manifesto, the BJP vows to continue to take Karnataka on a path of comprehensive socio-economic development, without leaving even a single Kannadiga behind.

Jai Hind! Jai Karnataka!
