## Our Achievements for a Prosperous and Forward Looking Uttarakhand

### Protecting Devbhoomi

1. With **national security featuring first on its priority list**, the BJP has taken steps to improve infrastructure in the border districts of Uttarakhand. To facilitate swift movements of troops at the border, **three bridges of 140, 180 and 140 feet long** were built in **Tawaghat, Kirkutiya and Jauljibi areas of Pithoragarh** district. A **strategic tunnel was also built in Chamba** town on the Rishikesh–Dharasu road as a part of the **Char Dham Project**.
2. With a vision to further bolster national security through infrastructural development and connectivity, the **Prime Minister Shri Narendra Modi has initiated 23 projects worth over ₹ 17,500 crores in the rural and border areas of Uttarakhand**.

### Ex-Servicemen and Martyrs

3. Fulfilling a long-standing demand of ex-servicemen, the BJP government ensured that the **“One Rank One Pension”** scheme was implemented across the country. In doing so, the government ensured that **1.16 lakh ex-servicemen from Uttarakhand alone benefit from the scheme, with ₹ 530.57 crores being released as arrears**.
4. The honoraria paid to ex-servicemen, employed on contract-basis in various government departments, through **Uttarakhand Purva Sainik Kalyan Nigam Limited**, was increased by a **massive 20%**.
5. Honouring the sacrifices made by soldiers in the field of battle, the BJP government **revised the ex-gratia paid to the martyrs’ next of kin**. The ex-gratia amount was thus increased from upto **₹ 10-20 lakhs earlier to ₹ 25-45 lakhs**.

### Agriculture

6. With a focus on improving **storage and warehousing facilities** in the state, the BJP government allocated **₹ 770.3 crores in 2021-22** alone. Simultaneously, an allocation of **₹ 8945.4 crores has been made towards major and minor irrigation projects**. These steps, together have resulted in increased horticulture and agricultural produce.

7. With a two-fold aim of increasing farmers' incomes while keeping **Ganga maiya** free of toxins, the BJP government has taken measures to increase the area under organic farming. The BJP government passed the **Organic Agriculture Act, 2019**, making Uttarakhand the first state to have such a legislation. The result has been a whopping **23% increase in the area under organic agriculture**.
8. To ensure Atma Nirbharta of Uttarakhand's **annadaatas**, the BJP government has disbursed **₹ 6000 per year** under the **PM Kisan Samman Nidhi to 9.43 Lakh farmers**.

## Language and Culture

9. **The first phase of Kedarnath Dham reconstruction is already complete** and is a testament to the determination of the BJP in safeguarding the state's culture. Similarly, ₹ 250 crore master plan of Badrinath Dham has also been prepared and its redevelopment is underway.
10. With the aim of promoting spiritual tourism, **12 Shakti Peeths in the Garhwal Division and 12 Shakti Peeths in the Kumaon Division are being developed in the form of circuits**.
11. The BJP Government installed a **12 ft statue of Adi Guru Shri Shankaracharya** at his **Samadhi Sthal** after his Samadhi washed away in the 2013 floods.

## Women

12. The BJP-led government devised the **Pradhan Mantri Matru Vandana Yojana** for the welfare of pregnant and lactating women under which a total amount of **₹ 82.2 crore has been** disbursed **amongst 1.8 lakh beneficiaries**.
13. The BJP-led government initiated the **Mukhyamantri Mahalaxmi Yojana**, which presently covers **16,929 beneficiaries**. This has cumulatively helped improve the **sex ratio at birth from just 888 in 2015-16 to 984 in 2020-21**.

## Health

14. While the nation fought against COVID-19, Uttarakhand led the battle from the front by ensuring quick and efficient vaccination. Under the BJP Government, **100% first dose vaccination** has been achieved in the state, while **more than 80% of the population has been double vaccinated**.

15. With the vision to ensure “**last mile delivery of quality healthcare**”, the BJP government has taken a bold step to **extend the scope of Ayushman Bharat Yojana -PMJAY**, by bringing **10,45,932 more families** under the ambit of the state’s **Atal Ayushman Uttarakhand Yojana**. This has made Uttarakhand the first state to cover everyone under a single universal health assurance programme.
16. BJP’s commitment to quality affordable medical education is evident from the fact the government reduced the annual fees of the medical students. Uttarakhand now has the lowest fees for medical education in India. The Uttarakhand government has also established a medical college in **Almora**. Additionally work on **three more medical colleges in Rudrapur, Haridwar and Pithoragarh** is underway.

## Infrastructure

17. In the span of a mere two years, since the launch of Jal Jeevan Mission, the BJP Government has ensured that nearly **6.51 lakh households in the state have tap water connection**. This translates to **83.32% of all tap water connections** in the state.
18. Uttarakhand saw a huge increase in the sanctioned road lengths over the past 5 years. **More roads have been built in the past 5 years** than in the previous 17 years combined. From 2000–2017 the state could only build about **7529 kms** of roads, while from 2017, a total of **9751 kms** have been built in the state.
19. With a view to provide a network through Optical Fibre Cable to each and every house of the state, the BJP-led government promulgated the ‘**Uttarakhand Right Of Way, 2018**’. Under the **BharatNet 2.0, 12,000 villages** of Uttarakhand will receive internet connectivity.
20. **₹ 1500 crores** household gas pipeline project is underway in the state. The project is being implemented in the cities of Dehradun, Pauri Garhwal, Uttarkashi, Rudraprayag, Tehri Garhwal, Pithoragarh, Champawat, Almora, Chamoli and Bageshwar.

## Education

21. Uttarakhand’s overall budget expenditure on education saw an impressive increment under the BJP Government, this staunch focus on education resulted in improvement of overall education statistics of the state.
22. The student enrollment rate in higher education in Uttarakhand saw an increase of 24.4% in undergraduate courses, 27.6% **increase in postgraduate enrollment, and a stunning 72.2% increase in Ph.D enrollment**.

- 23.** Realising the importance of quality school education, the BJP created **Atal Utkrishi Schools which follow the CBSE curriculum. A total of 188 schools have been created** under this scheme and are providing students of all walks of life with quality school education.
- 24.** The BJP Government increased the **number of teachers across all posts by nearly 20%** in order to improve education quality, from 15,290 in 2016-17 to 18,314 in 2019-20.

## Youth, Employment and Sports

- 25.** Upskilling the youth of Uttarakhand was taken up as a primary goal under the BJP government. Under the **Pradhan Mantri Kaushal Vikas Yojna** a total of about **3 lakh youth have been upskilled** in the past 5 years. **51,793 candidates** have been certified under **PMKVY for Recognition of Prior Learning (RPL)**. **1,45,139** youths were provided **Short Term Training (STT)**, out of which **1,15,518 were certified and 53,649 were reported as placed. 4,739 candidates are being trained in Special Projects (SP)**.
- 26.** BJP's committed to convert Uttarakhand into India's power house in sports. The BJP-led state government approved the **Sports Policy-2021** which assures a **5% sports quota** in educational institutions for talented students. Under this policy, the **Mukhyamantri Khel Vikas Nidhi Fund** would also be created to encourage sports in the state.

## Tourism

- 27.** The BJP Government in Uttarakhand set an example when it notified the **Tourism Policy, 2018**. Through the policy, it gave **tourism the status of an industry**, thus making various entrepreneurs eligible for MSME benefits.
- 28.** Further, to encourage tourism based self-employment, the government ran the hugely successful **Pt. Deen Dayal Homestay Yojana**, and **Veer Chandra Singh Garhwali Tourism Self-Employment Scheme**. These schemes have led to entrepreneurship development, and improved livelihoods.
- 29.** Further, with the **completion of a new terminal at Jolly Grant Airport**, the BJP Government has taken concrete steps to consolidate the tourist footfall in the state. This is evidenced by the fact that the **tourism footfall** in the state has increased significantly, **reaching almost 4 crores**.
- 30.** The efforts made by the BJP Government in the tourism sector is evident from the increase in the footfall of domestic as well as international tourists which increased by 18.72% in 2019 as compared to 2016. This has contributed to a 7.14% GSDP growth rate in 2019-20.

## Industry and Economy

31. The BJP Government took a number of steps to boost the industrial performance of the state, with particular focus on ensuring that the economic benefits of industrial growth reach the remotest parts of the state. The BJP formulated the **Start Up Policy, 2018**; amended the **MSME Policy, 2015**; and has also provided various incentives to women entrepreneurs in the state, such as capital subsidies and interest subsidies. This has led to a favourable investment climate, attracting industries to the state.
32. With the **Delhi-Dehradun Economic Corridor** heading towards speedy completion, Dehradun will be connected to Delhi, a major economic hub in the country, leading to an **immense rise in the volume of trade and commerce**.
33. Overall, the performance of Uttarakhand with regard to exports has been remarkable. Under the BJP government, **the value of overall exports witnessed an increase of 43.47% from ₹ 6,011 Crores in 2016-2017 to ₹ 8,624 Crore in 2020-21**, even during the ongoing COVID-19 pandemic.

## Welfare of the Poor

34. The BJP Government has launched **e-SHRAM**, the **nation's first database of unorganised labour**. With **over 26.62 lakh of Uttarakhand's unorganized workers registered on the portal**.

## Law and Order

35. The BJP increased the number of **women personnel in the police force by 33% since coming to power**. In addition to this, The BJP government has successfully brought down the **sexual harassment against women by 69% as compared to 2017**.
36. The BJP Government passed the **Uttarakhand Freedom of Religion Act, 2018** to curb forced and illegal conversions and thereby ensuring the safety, security and dignity of the women of Uttarakhand.
37. The BJP Government's performance in maintaining the law and order situation in the state has brought in various accolades over the years. Uttarakhand is the **top-performing state in NITI Aayog SDG index report**. Also, Uttarakhand secured top position in SDG16 i.e., peace, justice, and strong institutions. The attention given by the BJP government to police in the state also resulted in 2 police stations in Uttarakhand (Banbhoolpura Haldwani and Rishikesh) making it to the Union Home Ministry list of the top 10 police stations in the country.

## Message from Hon'ble CM

**Namaste friends,**

Uttarakhand is the birthplace of all the blessings showered upon the sacred land of *Bharat* by *Ishwara*. This land, blessed with the presence of *Maa Ganga*, with exceptional natural beauty, has been the philosophical centre of *Sanatani* culture. Fortunate are we to have been born of this sacred soil. Even politically, Uttarakhand has always been a mature state which has always stood in favour of national interest. Today, it is once again Uttarakhand's turn to fulfil its duty towards the nation.

In 2017, when the BJP donned this mantle of responsibility, it undertook various developmental works to ensure that the state made progress, and to fulfill the expectations and aspirations of Uttarakhand's people. In order to augment the capacity of the state's infrastructure, the budget expenditure on infrastructure has been doubled. The Char Dham All Weather Road Project is well on its way to completion, while work on the Rishikesh-Karnaprayag Railway Line is progressing at a quick pace. Simultaneously, the location survey work pertaining to the development of the Tanakpur-Bageshwar Railway Line has already begun. Construction of the Delhi-Dehradun Economic Corridor too is witnessing rapid progress. We initiated a number of schemes to provide the youth of Uttarakhand with employment. To honour our valiant soldiers, the monetary award for gallantry was increased, and careful thought was given to take care of the families of Uttarakhand's martyred soldiers.

Schemes such as Mukhyamantri Mahalakshmi Yojana, Nanda Gaura Yojana, Mukhyamantri Ghasyari Yojana, and Mukhyamantri Ghasyari Kalyan Yojana were initiated. Schemes such as Beti Bachao Beti Padhao, Kishori Shakti Yojana, Gaura Devi Kanya Dhan Yojana were brought into existence to safeguard the interests of Uttarakhand's daughters.

We also launched schemes like Deendayal Upadhyay Cooperative Farmer Welfare Scheme, and Uttarakhand Kisan Poshan Yojana to empower Uttarakhand's farmers. To ensure the growth of tourism in the state, Deen Dayal Upadhyay Homestay Scheme and Veer Chandra Singh Garhwali Tourism Self-Employment Scheme were launched.

When Uttarakhand was combating COVID-19, it was ensured that food and rations reached every person in the state. By launching the Vatsalya Yojana, I have personally taken responsibility for the well-being of children who lost their parents to COVID-19.

In these past five years, our party dedicated itself to the development of Uttarakhand. We have ensured access to quality education; we have honoured our ex-servicemen, and we have ensured the prosperity of Devbhoomi. Now, we resolve to turn Uttarakhand into India's biggest tourism hub; to bring the best of healthcare facilities to the state; and to transform Uttarakhand into the biggest centre for Ayurvedic medicine.

We are all working hard towards the development of the state, under the guidance of Prime Minister Shri Narendra Modi. In line with the same, we now present our vision document to the people of Devbhoomi Uttarakhand. This vision document also reflects our vision to make this the decade of Uttarakhand, as determined by the Prime Minister. We have a shared responsibility towards the people of Uttarakhand. This time, I hope that your blessings are with the determined and hardworking *karyakartas* of the BJP. May the blessings of Lord Badri Vishal, and Baba Kedar be with all of the state, and the nation forever; that is my prayer.

*Bharat Mata ki Jai!*

*Vande Mataram!*

**Pushkar Singh Dhami**  
Chief minister of Uttarakhand

## Message from Hon'ble State President

### **Respected sisters and brothers of Devbhoomi Uttarakhand,**

Uttarakhand has entered the 22nd year of its statehood. In the year 2000, the then Prime Minister Shri Atal Bihari Vajpayee ji formed the state of Uttarakhand, respecting the people's sentiments. Today, the Prime Minister Shri Narendra Modi is taking care of the state in a praiseworthy manner.

We know that Uttarakhand's journey since its inception has been full of ups and downs. While this newly born state has witnessed development and good governance during the tenure of BJP governments, the state has also endured the brunt of corruption and misgovernance under Congress governments. On one hand, Uttarakhand enjoyed development, the benefits of a special economic package and the special status accorded to it by Shri Atal Bihari Vajpayee. On the other, the Congress government withdrew the economic package upon which the state also saw development being stalled.

The Prime Minister, Shri Narendra Modi, has a special affection and a far reaching vision for the development of Uttarakhand. Today, under the leadership of Prime Minister Shri Narendra Modi, the double engine BJP government is speeding Uttarakhand ahead on the path of progress. This must be continuously carried forward by us, and we must play our part to fulfil this vision of the prime minister.

In order to maintain the pace at which the double engine government in Uttarakhand is working to ensure the state's progress, the Bharatiya Janata Party's historic win in the upcoming assembly elections is a necessity. This will enable the double-engine government to ensure Uttarakhand is a prosperous, safe and well-governed state. It is the responsibility of the state to fulfill the aspirations of statehood agitators, martyrs, and the people. At the same time, every section of Uttarakhand's society, including women, youth, soldiers, farmers, employees, traders, spiritually inclined persons, and intellectuals, must be able to lead a satisfied life. We must also safeguard Uttarakhand from anti-Uttarakhand forces such as the Congress and other such parties, who have crossed all limits of corruption and misgovernance while in power. We must also safeguard the people from the various forces which keep attempting to mislead the people of Uttarakhand. With their anti-Uttarakhand activities, these parties have gravely insulted the honour and dignity of Devbhoomi, while also disrupting progress of the state.

In the previous assembly elections, we presented our '**Drishhti Patra**' to you. We are glad to have fulfilled most of what we promised in it. In the context of the upcoming elections, we present to you '**Drishhti Patra 2022**'. We promise that upon being elected to form the government, we will definitely fulfill every promise we make.

Therefore, we humbly request you to bless, support and vote for the Bharatiya Janata Party in the Uttarakhand Legislative Assembly Elections, and give us an opportunity to fulfill our goal of seeing a fully developed and secure Uttarakhand.

*"Kiya hai, karti hai, aur karegi sirf BhaJaPa"*

Thank you.

**Madan Kaushik**  
**President,**  
**Bharatiya Janata Party, Uttarakhand**

## Foreword

Through this vision document, the Bharatiya Janata Party presents a resolution to build a model state which is developed, prosperous and self-reliant. Presenting this vision document to you gives us a sense of pride and self-satisfaction since it is representative of all sections of Uttarakhand's society. While drafting the manifesto, we took into consideration the 78,610 suggestions that we received from every corner of the state. We consulted intellectuals, and representatives of various sections of Uttarakhand's society, at the district and the state levels. This vision document is being presented to you after giving it much thought and deliberation, after significant amount of discussion and critique. Through the resolutions made in this vision document, we express our commitment to transform Uttarakhand into a model self-reliant state which is empowered and prosperous.

In 2017, when we presented our manifesto, the state was reeling under the influence of a Congress government involved neck-deep in corruption. The Congress government of the day had neither a concrete policy, nor a vision for the development of Uttarakhand. Fed up, in 2017, the people of Uttarakhand brought the Bharatiya Janata Party into government with a historic mandate.

The people of Uttarakhand have supported us immensely over the past five years. For this, we express deep and long standing gratitude. Respecting the mandate that the people gave it, our government has fulfilled almost every promise made in 2017. In these past five years, our government worked towards holistic development of the state. We laid the foundation for Uttarakhand's development, which drew recognition at the national and international levels. By strictly adhering to a policy of zero tolerance of corruption, we have ensured transparency and good governance prevails in the state. Our hard work and dedication has helped place Uttarakhand among the top ranking states in various fields. Specifically, our prompt response to COVID-19 received global appreciation. Further, respecting the sentiments of Uttarakhand's people, and respecting our oath to serve them, we have named Gairsain the summer capital of the state.

Under the able guidance and leadership of the honourable Prime Minister Shri Narendra Modi, our double-engine government has undertaken unprecedented development work in the last five years. The 2022 Assembly Election presents my brothers and sisters of Uttarakhand with an opportunity to accelerate the same. It is also an opportunity to turn Uttarakhand into a "model state", to turn the aspirations of those who struggled for Uttarakhand's statehood, and also the dreams of Shri Atal Bihari Vajpayee into reality.

This vision document is a testimony of your faith in the Bharatiya Janata Party, and our determination. It is not merely a document filled with formal declarations. The promises that we humbly submit to you through our vision document will act as the pillars of BJP's roadmap for governance, and to turn Uttarakhand into the most developed state over the next five years. Today, you have an opportunity to re-elect a clean and responsible government in the state. With "Sabka Saath, Sabka Vikas, Sabka Vishwas aur Sabka Prayas" as our motto, we humbly seek your blessings and mandate once again.

**Dr. Ramesh Pokhriyal 'Nishank'**  
**Chairman, Vision document Committee,**  
**Bharatiya Janata Party, Uttarakhand**

# Good Governance and All Round Development

## A. Protecting Devbhoomi

## Pandit Devendra (Dabral) Shastri 1921 -2012

Place: Tehri Garhwal, Uttar Pradesh and Dehradun, Uttarakhand

A freedom fighter from his youth, Pandit Devendra Dabral Shastri Ji spent the entirety of his life combating injustice and appeasement. Risking his life, he made great efforts to ensure that Hindus are evacuated from Sheikhpura, Lyallpur during the partition horrors. Sheikhpura would later become a part of Pakistan. As co-founder of the Jana Sangh in 1951, he organized several pro-people activities due to which he gained immense popularity and goodwill. The desire to work towards the welfare of the masses was so ingrained in him that he ensured the construction of an irrigation canal at Rajawala village in Dehradun through *shramdan*, in which he himself participated. His participation in the **“Save Kashmir” Movement** of 1953 led to attempts being made to arrest Shastri. Later, he was imprisoned for three months in Bijnor, Uttar Pradesh and Delhi.

Between 1951 and 1977, Shastri Ji also served as the Jana Sangh’s Organisational Secretary for western Uttar Pradesh. After the Emergency in 1977, he was elected to the Legislative Assembly from Dehradun. Furthermore, he was appointed the Vice-President of the Uttar Pradesh Bharatiya Janata Party and the President of the Uttaranchal Pradesh Sangharsh Samiti. Later, he was elected to the Uttar Pradesh Legislative Council as well, while remaining a life member of the Jana Sangh and then the Bharatiya Janata Party. He was even imprisoned for almost 3 years for voicing the concerns of the masses and leading the campaign for separate Uttaranchal state at different places. For his selfless politics, public service and nationalism, we salute Pandit Devendra Shastri.

## Soban Singh Jeena 1909-1989

Place: Sunauli Village, Malla Syunari, Almora, Uttar Pradesh

Among the founders of Jana Sangh, there are many who, apart from making the journey from the Jana Sangh to Bharatiya Janata Party, have played a profound role in the growth of the party. As the state vice-president of Jana Sangh, he participated in many activities in the state. After the formation of BJP, Soban Singh Jeena became a district president in the party. He contested from Baramandal Assembly Constituency in 1952, 1977, and 1980. In 1971, he contested the Lok Sabha elections from Almora-Pithoragarh. He won the 1977 elections by a huge margin and was appointed the Minister of Hill Development in Uttar Pradesh.

Essentially a social worker, Soban Singh Jeena was a political stalwart certainly but he was a distinguished educationist. He lent his support to numerous educational institutions. Furthermore, it would also be a grave injustice to forget the contributions of Late Soban Singh Jeena towards strengthening the Bharatiya Janata Party. He provided the Sangathan with an identity at a time when the Jana Sangh and the Bharatiya Janata Party were considered political untouchables. We sincerely salute the illustrious orator and mighty politician Shri Soban Singh Jeena.

**Apart from the above mentioned political stalwarts, there are many many karyakartas who have devoted their entire lives to their Desha, Rajya and Vichardhara. For their unwavering commitment towards public service, sacrifice and nationalism, we offer them our humblest regards.**
